49 IN RAPID RUN FOR 'GUINEA DAY'

STRING OF 15 CARS VISITS 5 WEST SIDE TOWNS.

MAY VISIT 4 OTHERS IN COUNTY MONDAY

Commercial Club and Business Men Boost Special Sales Day Next Wednesday.

Enthusiasm reigned supreme in the rapid transit trip made by forty-nine of the Maryville boosters in fifteen automobiles to the west side of Nodaway county yesterday afternoon to advertise "Guinea Day" here next Wednesday, June 16. It was a hurry-up tour and the roads were burned all the way, where possible. Much ground was covered in the four hours the enthusiasts were on the road.

Starting at 2 o'clock yesterday afternoon from in front of the Commercial club rooms the string of fifteen cars, bearing the forty-nine boosters and members of the Fourth Regiment band, sped away towards Wilcox, where the first stop was made. Hastily dismounting, the band struck up a single piece, the leaders circulated through the crowd and the cars were again entered for the trip to Burlington Junction.

Was a Hurry Up Tour.

It was the same all around. Stops were short and a rapid run over the business sections were taken by the booster leaders, while others either listened to the music or hied themselves to the thirst quenching parlors for ice cream cones or soda pop.

The boosters went from Burlington Junction to Clearmont, then doubled back through Burlington Junction to Quitman, on account of inability to visit Elmo and Dawson because of road conditions. From Quitman the boosters wended slowly for three miles through the worst roads on the entire trip, to Skidmore, last stopping point. A few delays through engine trouble and holes were encountered.

With Theo Robinson setting the pace most of the way in his "stripped" Ford, the boosters were taken over the ground at a rapid gait, and despite the fact that it rained just the day previously, dust flew most of the way.

May Finish Tour Monday.

But three towns in Nodaway county have been "skipped" so far by the boosters, and they perhaps will be "covered" by a delegation of boosters next Monday afternoon if the roads are suitable. The towns are Arkoe, Graham and Elmo.

The following persons took the "Guinea day" booster trip to the west end of the county yesterday afternoon: Theo Robinson and Edward Condon, in Robinson's pilot car; Dr. Karl Malotte and F. R. Marcell in Dr. Malotte's car; Charles Eckert and family and Jesse Paulette in Eckert's car; J. F. Hull, Ray Davis, E. G. Orear and F. G. Yantis in Hull's car; J. H. Sewell and family and Mrs. W. R. Jackson in Sewell's car; Dan R. Baker and family and M. A. Peery in Baker's car; Roy Curfman, Nick Schumacher, Dick Hotchkin and James Todd in Curfman's car; F. P. Reuillard and Edward Rea in Reuillard's car; Miss Bess Todd, Mr. and Mrs. T. B. Maulding and Marion Minter in Miss Todd's car; Dr. James Felix and John Behm in Dr. Felix's car; Newton Alexander and Lee O'Grady in Alexander's car; John Gray, Paul Basford, Ezra Phipps, Mel Atherton and J. S. Clark in Gray's car; W. H. Gilbert, Harold Maulding, Robert Jones and Wayne David in Gilbert's car; Charles Peters and Albert Berlin in Peters' car; Louis DeHart, Harold Sawyers and W. R. Jackson in DeHart's car.

On Vacation Trip.

Miss Beulah McCoppin, who is employed as stenographer at the First National bank, will leave Monday afternoon on a three months vacation trip. She will stop first at Portis, Kan., to visit her uncle, F. E. Houghtaling, and family, and from there will go to visit friends at Crawford and Garden, Neb., and Hot Springs, S. D.

Returns from Lebanon.

Miss Frankie Hallowell, who has been employed at Lebanon, Kan., will arrive in Maryville tonight to spend the summer.

HE IS A PEACE ADVOCATE

Dr. Hamilton Holt, Lyceum Attraction Here Next Fall, Noted Dove Adherent.

Dr. Hamilton Holt, editor of "The Independent" of New York City, and a world-wide lecturer and speaker for international peace, has been secured by the Maryville Lyceum association for a lecture here next fall, as a season lyceum attraction. Although the

DR. HAMILTON HOLT.

date of his coming has not been definitely set it will be in either November or December.

The lecture by Dr. Holt was secured through the Carnegie Endowment for International Peace. His topic here will probably be "The Federation of the World."

Dr. Holt, through The Independent, has perhaps published more on peace and the ways of bringing it about throughout the world than any other one publisher. He is one of the founders of the New York Peace society and is closely allied with many peace organizations in not only this country but in Europe as well.

STUDENTS WORKED ON ROADS.

Conception College Pupils, Headed by Band, Aided 17 Dissolve Poll Tax.

A new feature in road work was observed in Jefferson township a few days ago, when students of Conception college, at Conception, marched in the wake of a band to the roads for repair, and there aided seventeen of their number to work out their poll tax.

In reciting the event, the Conception Courier says in part:

Decked out in overalls, jackets and straw hats, and armed with shovels, spades, axes and, in fact, any useful implement from a two-penny nail to a crosscut saw, and led by their famous brass band, they marched to Conception, where, under the direction of the road overseer and some assistants, they were divided into four groups and allotted tasks on the roads west, north and east of town.

Energy which had been pent up through almost nine months of class room work was expended at a marvelous rate and produced astonishing results. West of town the ax gang cleared the roadside of brush and trees to the Platte river in less than schedule time, and the team provided to drag the larger trees away was left hopelessly in the rear.

The work of the other gangs, while not so evident, was equally efficient. In the evening the workers again congregated at Conception and marched back to the college, where a picture was taken of the whole body in full regalia.

The students exhibited a lively interest in all local improvements and are contemplating an organization which will make Good Roads day an annual event.

WILL DISCUSS "ETHICS" NEXT.

County Physicians Talked on Measles —"Advertise or Not," June 25.

"Professional Ethics" will be the special topic that will be taken up for discussion and consideration at the next meeting of the Nodaway County Medical association, in the public library here Friday night, June 25. It will relate particularly to whether physicians should advertise. It was that proposition which caused quite a row in the state association recently.

"Measles and Their Complications" was the subject last night. Those spoke on that topic: Dr. Charles T. Bell, Dr. William Wallis, Jr., Dr. J. H. Todd, Dr. J. A. Larabee, Barnard; Dr. K. C. Cummins, Dr. F. R. Anthony, Dr. William Wallis, Sr., and Dr. Karl Malotte.

GERMANS GET NOTE

PRESIDENT WILSON'S REPLY WAS WELL RECEIVED IN BERLIN.

DISPATCHED TO KAISER

Emperor William Reads U S. Reply on Galician Frontier—No Answer Expected Soon.

Berlin, June 12.—No steps have yet been taken here for the publication of the American government's note to Germany concerning Germany's method of naval warfare.

The German government, which plans to defer an answer to President Wilson until after the arrival in Berlin of Dr. A. Meyer-Gerhard, the representative of Count von Bernstorff, the German ambassador to Washington, would, it is said, have been better pleased if the note had not been given out for the present in the United States, in order to avoid newspaper comment in the interim.

Herr von Jagow, the foreign minister, asked to be excused from any comment on the note until the various officials directly concerned had an opportunity to familiarize themselves with its contents.

In diplomatic circles the note was regarded as decidedly conciliatory in tone, far more so than the first stories reaching Berlin by cablegram had led the foreign diplamts to expect.

London, June 12.—German opinion is unanimously against granting President Wilson's demand for assurances that American ships and lives will not be endangered by submarines in warfare, according to a Berlin dispatch to the Exchange Telegraph company, sent by way of Amsterdam.

Official circles are pessimistic, the dispatch says, regarding the continued maintenance of friendly relations with the United States.

Immediately after it had been received, the contents of the American note were telegraphed by Foreign Minister von Jagow to Emperior William, who is on the Galician frontier.

HOLD DISTRICT MEETING.

Prudential Agents Gather Here Today to Discuss Policy Writing.

A meeting of the district agents of the Prudential Life Insurance company is being held here today in the offices of the insurance company, Empire building. Those attending are R. K. Dearworth of Maryville, district organizer; L. A. Denny, local agent; Homer Kellogg, Creston, Ia.; D. A. Masterson, Shenandoah, Ia., and F. L. Hopkins, Clarinda, Ia.

The meetings are held to discuss various propositions coming before the agents and to bring the agents into better understanding of the company policies.

CLUB GIRLS TO GIVE PLAY.

Proceeds of Musical Comedy to Apply to Rest Room Fund.

The Humdrum club will give a musical comedy at the Empire theater for the benefit of the women's public rest rooms. The date on which the play is to be presented will be announced shortly.

The club members will have the assistance of two out-of-town specialty artists and a number of the local talent. The operetta is being directed by Miss Bess Scott and the rehearsals and preparations for the event are well under way.

The entire proceeds are to be applied to the fund for the maintenance of the rest rooms.

BOY, 8, BEFORE CAR; HURT

Edwin Foreman Didn't See Auto from Behind Wagon—Bruised and Cut Slightly.

Erwin Foreman, 8-year-old son of A. L. Foreman, 216 South Market street, was knocked down and cut and bruised at 2 o'clock this afternoon at First and Main streets, when a taxicab driven by William K. Edwards, struck him. The accident was unavoidable. The boy was hidden from the sight of the automobile driver by a dump wagon which was being driven south on Main street, though on the east side of the street.

As the car approached, Erwin stepped from behind the wagon directly before the northbound car, as it was driven around the wagon. Before being able to stop the car it had passed entirely over the boy. Either the impact of the car, the fall to the pavement or the wheels passing over him made several bruises and cuts on his legs. The boy was but slightly injured.

Edwards drives for the Knox garage.

BELLOWS BULL BRINGS $2,500.

Fairacre Sultan, Prize Sirer, Brings Second Highest Price—Oklahoman Purchaser.

Fairacre Sultan, a 4-year-old Shorthorn bull owned by Bellows Brothers, was sold to H. F. Luckbaugh of Watonga, Okla., yesterday for $2,500. This is the second highest price ever received by Bellows Brothers for a bull, and perhaps by any breeder in Nodaway county. Fairacre Sultan is claimed to have sired more prize winning Shorthorns in the last few years than any other one bull in this country.

The Bellowses sold Hampton's Model, also a Shorthorn bull, in 1906 for $3,910 for export to South America. This was a record price not reached since.

PLEASED WITH NEW DAUGHTER.

S. R. Polly Likes Third Wife of Son, Who Married Much Married Woman.

"She's a dandy," was the comment of Samuel R. Polly, southeast of Maryville, this morning, in speaking of his new daughter-in-law, Mrs. Charles C. Polly, third wife of his son, who previously was married to a woman, married ten times previously. "Myrtle (that's her first name) is a German woman and a fine cook and a splendid housekeeper, and I am sure living good now," continued Mr. Polly, Sr.

Polly was married to Mrytle Rush of Union Star, at St. Joseph, this week, as previously announced in The Democrat-Forum. His second wife died at Parnell, April 1. She had been married eleven times, three times to the same man.

Mr. and Mrs. Polly went to Union Star this morning to get Mrs. Polly's household goods and property, preparatory to moving in with the senior Polly here. His wife died last August.

To Preach at Rockford Church.

The Rev. Gilbert S. Cox, pastor of the First Methodist church, will hold the usual quarterly preaching service at the Rockford church, south of Maryville, at 3 o'clock tomorrow afternoon.

To Address Graduates.

President Ira Richardson of the Normal will go to Grant City today to deliver the address tonight to the ninety-three eighth grade graduates of the Worth county public schools. The commencement exercises will be held in the Methodist Episcopal church.

YOUTHS PLAN FETE

POULTRY BREEDERS MEET

Northwest Missouri Association to Elect Officers and Plan Next Fall's Show Today.

A meeting of the Northwest Missouri Poultry association, is being held in the circuit court room of the court house this afternoon to elect officers for the year, to plan for next fall's sixteenth annual poultry show here, and to bring the organization to such a standard as to receive state aid. The meeting convened about 3:30 o'clock with a small number of the members from over the county present.

A discussion relative to sending the better stock of poultry in Nodaway county to the Panama-Pacific fair at San Francisco in October, also will probably close the session here this afternoon. It is planned to have quite an exhibit of birds there next fall.

A constitution, so that the poultry organization will receive state aid, was the first matter brought up at the meeting. It provides for no changes from present operative methods, except as to provide a vice president from each township and that the executive committee shall consist of the president, secretary and treasurer and two members.

A proposition to inaugurate township contests in connection with the county show her next fall also will be brought up this afternoon. It is planned to have each township offer a special prize to the exhibitor having the best poultry display from that township in the county show.

It is also planned to change admission fee in the annual county shows, as has been the case heretofore.

These officers were elected: President, Fred F. Robinson; vice president, W. H. Crawford; secretary, Joseph H. Sayler; treasurer, John Gross; vice president of Nodaway township, Mrs. W. P. Nicholas. The other township vice presidents will be named later by the executive committee. Robinson and Sayler were re-elected.

MRS. W. H. AIKEN DEAD.

Funeral Will Be Held Tomorrow at Reuben Young Home.

Mrs. Amelia R. Aiken, 25 years old, the wife of W. H. Aiken of Boyne City, Mich., died yesterday afternoon at 6 o'clock at the home of her parents, Mr. and Mrs. Reuben Young, on East Third street.

Mrs. Aiken had been in failing health for several months. About four weeks ago, in company with her husband, she came to Maryville to visit her parents. She is survived by her husband, to whom she was married in February, 1914, her parents, Mr. and Mrs. R. Young, and seven sisters and three brothers. The brothers and sisters are Elmer Young of Bedison, William Young of Garland, Wyo.; Mrs. Edward McKee of Ravenwood, Mrs. Albert Mercer, Mrs. Clarence Dowden, Mrs. Albert Appleby, Mrs. W. N. Trullinger, Guy Young and Misses Daisy and Ruth Young, all of Maryville.

The funeral services will be held at 2:30 o'clock tomorrow afternoon at the Young home, conducted by the Rev. Robert Lyle Finch, pastor of the First Christian church. The burial will be made in Miriam cemetery.

FLY FLAG MONDAY SAYS CITY HEAD

MAYOR WRIGHT REQUESTS ALL TO OBSERVE FLAG DAY.

D. A. R. MEETS TODAY TO PAY ITS RESPECTS

Woman's Organization Asks for General Homage to "Old Glory"—No Churches Plan Services.

Maryville, Mo., June 12, 1915.
As mayor of the City of Maryville, I hereby request all residents of the city to fittingly observe Flag Day next Monday, June 14, by appropriately decorating their homes or store fronts with our country's flag and to otherwise observe the day in homage and respect to the Stars and Stripes.
Respectfully,
U. S. Wright, Mayor

Flag Day this year, which comes next Monday, June 14, will not be very generally observed over Maryville this year, according to present indications. Not a sermon relative to the day has been announced for tomorrow by any Maryville pastor, and no stores nor offices will be closed Monday in observance of the event, as far as is known today.

It will be observed however, by the local chapter of the Daughters of the American Revolution. The Elks, who held Flag Day exercises last year, will not repeat this time. The services by the D. A. R. this year, is being held this afternoon at the home of Mrs. Anderson Craig. Mrs. Craig, Mrs. C. H. Coe, Mrs. J. V. Embree and Miss Ethel Embree are hostesses. The services last year were held at the home of Mrs. Embree.

Mayor Issues Proclamation.

Mayor U. S. Wright, this morning, issued a proclamation calling on all residents of Maryville to observe the day and pay homage to the Flag, Monday. The D. A. R. also has requested merchants and citizens generally to fly the flag to the breezes that day in token o frespect.

The big, silken flag, presented to the county court last fall by the D. A. R., will be flung to the breezes from the tower of the court house Monday while many others will observe in the city that day, it is believed.

Monday Is Flag Day.

Monday, as a matter of history, will be the one-hundred and thirty-eighth anniversary of the adoption of the Stars and Stripes. On the 14th day of June, 1777, Congress enacted: "That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

The number of stripes having been increased by the admission of new states, the possibilities of the nation's future development dawned upon our fathers, the original thirteen stripes were unchangeably restored by act of Congress on April 4, 1818, when it was enacted: "That from and after the fourth day of July next, the flag of the United States be thirteen horizontal stripes, alternate red and white; that the Union be twenty stars, white, in a blue field, and that on the admission of a new state into the Union one star be added to the union of the flag, and such addition take effect on the fourth day of July next, succeeding such admission."

Miss Lindholm to Arrive.

Miss Lillian Lindholm of Ottawa, Ill., a former teacher in the city high school, will arrive in Maryville tonight to visit Misses Marjorie and Geneva Wilfley, Miss Lucile Airy, Miss Margaret Lee Winston and other friends. Miss Lindholm has been teaching in the schools of Minneapolis, Minn.

THE WEATHER

Showers this afternoon or tonight; Sunday partly cloudy and cooler; fresh southwest to west winds.

The young women of St. Mary's church will give a social in the church hall on Tuesday night, June 15. Refreshments.

HOLD BASKET DINNER.

Ravenwood Christian Church Will Hold Annual Celebration Sunday.

The annual basket dinner and congregational meeting of the Ravenwood Christian church of Ravenwood will be held tomorrow. The meeting was arranged for last Sunday, May 28, but was postponed on account of the high water. The Rev. L. L. Ellis of Des Moines, Ia., will give the address.

PLAY CONCEPTION TODAY.

Normal Base Ball Team Will Try to Avenge Defeat Thursday Here.

The Normal base ball team went to Conception today, where it plays the Conception college team this afternoon in a return game. Coach Walter Hanson hopes to get revenge for the overwhelming defeat here Thursday, when Conception college secured 11 runs to a measly 1 by the Normal. Nearly the same players will contest this afternoon.

This probably will be the final game of the season for the Normal team.

TO CELEBRATE IMPROVEMENTS.

Mound City Has Paving, School Building and White Way.

Mound City is celebrating its several recent improvements and white way with speaking, music, drill contests and luncheon and smoker. The improvements have been the installation of a white way on the main streets and the paving of that thoroughfare and the completion of a new school building.

The principal speakers today are to be A. N. Lindsay of Clinton, secretary of the State Federation of Commercial Clubs and also publicity agent for the Normal here, and F. W Buffum, state highway commissioner.

Sells Dearborn Paper.

Mrs. James Watson, editor and publisher of the Dearborn Democrat, of Dearborn, for the last nine years, has sold the paper to F. C. Ives, a Missouri newspaper man. The consideration was $5,100. Mrs. Watson also owns an 80-acre farm.

Guilford Plays Deferred Game.

The base ball game scheduled between Guilford and Rosendale last Sunday, will be played at Rosendale tomorrow afternoon instead.

W. T. Doyle, living near the city, was operated on this morning at St. Francis hospital. He stood the operation nicely.

BRYAN ISSUES FINAL STATEMENT

Tells German-Americans U. S. Is Perfectly Neutral.

ASKS THEIR AID FOR PEACE.

Nebraskan Asserts That This Government Has Acted Fairly In All Matters Between the Belligerents—Replies to Criticisms Made.

Washington, June 12.—William J Bryan issued an appeal, addressed to "The German-Americans," urging them to aid in maintaining peace between the United States and the fatherland by exerting their influence with the German government to persuade it not to take any steps that would lead in the direction of war.

With this statement, Mr. Bryan expects to end for the present his efforts to lay before the public the situation, which caused him to resign the portfolio of secretary of state.

Referring to German-Americans as "fellow citizens in whose patriotism I have entire confidence," Mr. Bryan besides asking them to use their influence with the German government, urged:

"That they forget, never to be recalled, any suspicion of lack of neutrality or friendship toward the German people on the part of the president of the United States.

That they should not attempt to connect negotiations between the United States and Germany with those between the United States and Great Britain, because "the cases are different."

That Germany should acquiesce in demands that have been made by the United States without condition trusting the "United States to deal justly with it in the consideration of any changes it may propose in the international rules that govern the taking of prizes," growing out of submarine warfare.

Mr. Bryan declared that President Wilson had been unjustly criticised by patrisans of both sides in the European conflict; expressed confidence that Germans would stand by their adopted country in case of war between the United States and Germany; maintained that killing of innocent women and children, either by drowning or starving, could not be justified and suggested a change in the shipping laws to exclude passengers from ships carrying contraband or ammunition.

Cannot Change Laws.

"The administration's position has not only been perfectly neutral, but it could not have been otherwise without a palpable and intentional violation of the rules governing neutrality. This government is not at liberty to materially change the rules of international law during the war because every change suggested is discussed, not upon its merits as an abstract proposition but according to the effect it will have upon the contest. Those who wanted to lay an embargo upon the shipment of arms defended their position on the ground that it would hasten peace, but it is strange that they could have overlooked the fact that the only way in which such action on our part could hasten peace would have been by helping one side to overcome the other.

Duty of German-Americans.

"Knowing that the president desires peace, it is your duty to help him secure it, and how? By exerting your influence to convince the German government of this fact and to persuade that government to take no steps that would lead in the direction of war.

"My fear has been that the German government might, despairing of a friendly settlement, break off diplomatic relations and thus create a condition out of which war might come without the intention of either country. I do not ask you to minimize the earnestness of the president's statement; that would be unfair, both to him and to Germany."

U. S. PREPARING NEW NOTE TO ENGLAND

Washington Officials Assembling Data on Shipping Question.

Washington, June 12.—It was stated officially at the state department that while officials had been for more than two months assembling data on which to base a new note to Great Britain on interruptions to American commerce by British naval operations, there was as yet no indication of when the new communication would be ready for transmission to London.

It is intended that the new representations shall be so complete in detail as to preclude protracted discussion.

As yet Great Britain has made no reply to the last American note on the orders in council. There is a belief in some quarters here that it is unlikely a reply will be made while the situation between the United States and Germany continues.

It is intimated that the Washington government's note might go forward as soon as it was completed without regard to the status of the negotiations with Berlin.

DUN'S REVIEW OF TRADE

Economic System Grows Steadily Stronger.

New York, June 12.—Dun's says:

While general business gains but slowly, the economic situation grows steadily stronger. International uncertainties are still a restraining influence, yet constructive forces multiply, and the absence of speculative excesses is helpful to sustained progress. Much the best feature of the week was the government grain report, which indicated bumper harvests of both wheat and oats, as well as big yields of the other cereals.

To the nation at large agricultural success means more than anyone can calculate, and since prosperity of the railroads is materially affected by the size of the crops to be moved, the official forecast is obviously a most encouraging factor. Because of it optimism in the west increases and confidence everywhere strengthens, especially as the marketing of the great staples will involve no financial strain.

Funds remain in superabundant supply for all requirements, and gold is coming here when it is not really needed, several millions of the precious metal again crossing the Canadian border. These specie imports bear a close relation to Europe's purchases in this country and the continued urgent war demands, though exaggerated in some instances, impart new life to manufacturing enterprise. It is not now uncommon to hear of idle plants resuming or of more machinary being set in motion, and unemployment naturally becomes a less serious problem as industrial operations expand. In no other line has the revival of activity been as pronounced as in iron and steel.

CAVALRY TO STAY ON MEXICAN BORDER

Washington, June 12.—Possible intereference by local Mexican officials along the border with plans of the Red Cross to distribute through American officers and its own agencies food supplies to the famine threatened Mexican people is the reason for orders from the war department to delay the departure of three regiments from the border to the Philippines.

The American troops cannot cross the border without instructions from Washington, but in view of the possibility of resistance by the Mexican officials the war department intends to have at hand means to enforce any orders that may be given by President Wilson. The regiments affected are [illegible] at Fort Bliss, Tex., the Twenty seventh infantry at [illegible] Ninth cavalry at Fort Douglas, Ariz.

W. R. C. Holds Social.

An old-fashioned ice cream and cake festival was held this afternoon and will continue through tonight on the lawn of the court house by the Women's Relief Corps, as the annual observance of Flag day.

The women of the corps have held this affair for several years on Flag day, and the money is to go toward the support of their work.

Miss Hull to Ames College.

Miss Myra Hull will leave the first of the week for Ames, Ia., to take a special course in home economics at the Iowa State Agricultural college. Miss Myra will be head of the home economics department of the Bedford, Ia., schools this coming year.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SUBSEA-PROOF SHIPS

Naval Experts Work to Make Vessels Defiant of Submarines.

Washington, June 12.—Navy officials will present to the next congress a comprehensive program for the reorganization of the navy along modern lines.

From another quarter it was learned that until the construction department of the navy perfects its plans for submarine proof battleships, it is more likely to recommend the building of fast battle cruisers and seagoing submarines to the exclusion of dreadnaughts.

This means a radical departure from past programs. The general board heretofore has emphasized armament and hitting power more than speed and hitting power without armament. The construction engineers of the navy, however, are now working to discover means to make a battleship submarine proof, or at least proof against the explosion of a single submarine torpedo of the most effective

Americans at Van Reported Safe.

Boston, June 12.—A cablegram stating that the Americans at Van, Turkish Armenia, are safe was received by the American board of commissioners for foreign missions. Paige

THE STANDARD OF VALUE AND QUALITY

The Paige Fairfield "Six-46" has proved the most successful, the best-selling, the most-commented-upon and the most popular six-cylinder motor car—of any price—introduced into this country this year. It has been easily and incontestably the most distinctive event of this American motor car season.

The Proof of that Victory

Paige dealers the country over have sold out three and four extra allotments of the "Six-46."

For three months the huge Paige factory (scarcely more than a year old) has been working night and day.

We are now doubling even that enormous capacity, doubling the size of the new plant, to meet this overwhelming demand for the "Six-46."

You must already have seen this wonderful "Six-46." It is known everywhere now. But see it again at your Paige Dealer's—and you will not be content until it is yours.

"Dollar Brigade" Earns $130.
Celebrating the tenth year of its organization, the "Dollar Brigade" of the First Baptist church held an all-day meeting at the church Thursday. The morning was devoted to comfort tacking. At noon a delicious lunch was served, and after the dining the real meeting of the day was opened. The entire company first united in the singing of "Blest Be the Tie That Binds," which was followed by devotions, conducted by Mrs. S. A. Helwig, and a prayer service conducted by Mrs. J. M. Ringgold. Mrs. H. L. Raines and Mrs. Lewis M. Hale sang "Just for Today," and the music was followed by a short talk by the Rev. Mr. Hale on "The Progress of Women's Work." A quartet composed of Mrs. W. A. Burris, Mrs. G. B. Holmes, Mrs. W. A. Bailey and Mrs. Mary Owens sang "Work Till the Church is Finished," a song composed by Mrs. Anderson Craig. The closing number of the program was an interesting account of the Dollar Brigade and its work, given by the president, Mrs. W. A. Bailey. After this talk each member presented her dollar, and told how she earned the money. The ways of earning were varied and unusual in many cases. The organization was made in 1905, at the time the congregation decided to build the new church. The women pledged $1,000 at that time. The money was earned in various ways, and the Dollar Brigade, which holds its meetings semi-annually, is the outgrowth of that first meeting. Mrs. Anderson Craig was the first president of the organization. She was followed by Mrs. G. B. Holmes, who served the second year; Mrs. John Anderson for the third year, and Mrs. W. A. Bailey as fourth president, who has served steadily in that capacity since.

Thursday the total contribution paid into the treasury by the women was $130, which was the proceeds of work done by the society members and the dollars earned individually.

49 IN RAPID RUN FOR 'GUINEA DAY'

STRING OF 15 CARS VISITS 5 WEST SIDE TOWNS.

MAY VISIT 4 OTHERS IN COUNTY MONDAY

Commercial Club and Business Men Boost Special Sales Day Next Wednesday.

Enthusiasm reigned supreme in the rapid transit trip made by forty-nine of the Maryville boosters in fifteen automobiles to the west side of Nodaway county yesterday afternoon to advertise "Guinea Day" here next Wednesday, June 16. It was a hurry-up tour and the roads were burned all the way, where possible. Much ground was covered in the four hours the enthusiasts were on the road.

Starting at 2 o'clock yesterday afternoon from in front of the Commercial club rooms the string of fifteen cars, bearing the forty-nine boosters and members of the Fourth Regiment band, sped away towards Wilcox, where the first stop was made. Hastily dismounting, the band struck up a single piece, the leaders circulated through the crowd and the cars were again entered for the trip to Burlington Junction.

Was a Hurry Up Tour.

It was the same all around. Stops were short and a rapid run over the business sections were taken by the booster leaders, while others either listened to the music or hied themselves to the thirst quenching parlors for ice cream cones or soda pop.

The boosters went from Burlington Junction to Clearmont, then doubled back through Burlington Junction to Quitman, on account of inability to visit Elmo and Dawson because of road conditions. From Quitman the boosters wended slowly for three miles through the worst roads on the entire trip, to Skidmore, last stopping point. A few delays through engine trouble and holes were encountered.

With Theo Robinson setting the pace most of the way in his "stripped" Ford, the boosters were taken over the ground at a rapid gait, and despite the fact that it rained just the day previously, dust flew most of the way.

May Finish Tour Monday.

But three towns in Nodaway county have been "skipped" so far by the boosters, and they perhaps will be "covered" by a delegation of boosters next Monday afternoon if the roads are suitable. The towns are Arkoe, Graham and Elmo.

The following persons took the "Guinea day" booster trip to the west end of the county yesterday afternoon: Theo Robinson and Edward Condon, in Robinson's pilot car; Dr. Karl Malotte and F. R. Marcell in Dr. Malotte's car; Charles Eckert and family and Jesse Paulette in Eckert's car; J. F. Hull, Ray Davis, E. G. Orear and F. G. Yantis in Hull's car; J. H. Sewell and family and Mrs. W. R. Jackson in Sewell's car; Dan R. Baker and family and M. A. Peery in Baker's car; Roy Curfman, Nick Schumacher, Dick Hotchkin and James Todd in Curfman's car; F. P. Reuillard and Edward Rea in Reuillard's car; Miss Bess Todd, Mr. and Mrs. T. B. Maulding and Marion Minter in Miss Todd's car; Dr. James Felix and John Behm in Dr. Felix's car; Newton Alexander and Lee O'Grady in Alexander's car; John Gray, Paul Basford, Ezra Phipps, Mel Atherton and J. S. Clark in Gray's car; W. H. Gilbert, Harold Maulding, Robert Jones and Wayne David in Gilbert's car; Charles Peters and Albert Berlin in Peters' car; Louis DeHart, Harold Sawyers and W. R. Jackson in DeHart's car.

On Vacation Trip.

Miss Beulah McCoppin, who is employed as stenographer at the First National bank, will leave Monday afternoon on a three months vacation trip. She will stop first at Portis, Kan., to visit her uncle, F. E. Houghtaling, and family, and from there will go to visit friends at Crawford and Garden, Neb., and Hot Springs, S. D.

Returns from Lebanon.

Miss Frankie Hallowell, who has been employed at Lebanon, Kan., will arrive in Maryville tonight to spend the summer.

Dr. Hamilton Holt, Lyceum Attraction Here Next Fall, Noted Dove Adherent.

date of his coming has not been definitely set it will be in either November or December.

The lecture by Dr. Holt was secured through the Carnegie Endowment for International Peace. His topic here will probably be "The Federation of the World."

Dr. Holt, through The Independent, has perhaps published more on peace and the ways of bringing it about throughout the world than any other one publisher. He is one of the founders of the New York Peace society and is closely allied with many peace organizations in not only this country but in Europe as well.

STUDENTS WORKED ON ROADS.

Conception College Pupils, Headed by Band, Aided 17 Dissolve Poll Tax.

A new feature in road work was observed in Jefferson township a few days ago, when students of Conception college, at Conception, marched in the wake of a band to the roads for repair, and there aided seventeen of their number to work out their poll tax.

In reciting the event, the Conception Courier says in part:

Decked out in overalls, jackets and straw hats, and armed with shovels, spades, axes and, in fact, any useful implement from a two-penny nail to a crosscut saw, and led by their famous brass band, they marched to Conception, where, under the direction of the road overseer and some assistants, they were divided into four groups and allotted tasks on the roads west, north and east of town.

Energy which had been pent up through almost nine months of class room work was expended at a marvelous rate and produced astonishing results. West of town the ax gang cleared the roadside of brush and trees to the Platte river in less than schedule time, and the team provided to drag the larger trees away was left hopelessly in the rear.

The work of the other gangs, while not so evident, was equally efficient. In the evening the workers again congregated at Conception and marched back to the college, where a picture was taken of the whole body in full regalia.

The students exhibited a lively interest in all local improvements and are contemplating an organization which will make Good Roads day an annual event.

WILL DISCUSS "ETHICS" NEXT.

County Physicians Talked on Measles —"Advertise or Not," June 25.

"Professional Ethics" will be the special topic that will be taken up for discussion and consideration at the next meeting of the Nodaway County Medical association, in the public library here Friday night, June 25. It will relate particularly to whether physicians should advertise. It was that proposition which caused quite a row in the state association recently.

"Measles and Their Complications" was the subject last night. These spoke on that topic: Dr. Charles T. Bell, Dr. William Wallis, Jr., Dr. J. H. Todd, Dr. J. A. Larabee, Barnard; Dr. K. C. Cummins, Dr. F. R. Anthony, Dr. William Wallis, Sr., and Dr. Karl Malotte.

GERMANS GET NOTE

PRESIDENT WILSON'S REPLY WAS WELL RECEIVED IN BERLIN.

DISPATCHED TO KAISER

Emperor William Reads U. S. Reply on Galician Frontier—No Answer Expected Soon.

Berlin, June 12.—No steps have yet been taken here for the publication of the American government's note to Germany concerning Germany's method of naval warfare.

The German government, which plans to defer an answer to President Wilson until after the arrival in Berlin of Dr. A. Meyer-Gerhard, the representative of Count von Bernstorff, the German ambassador to Washington, would, it is said, have been better pleased if the note had not been given out for the present in the United States, in order to avoid newspaper comment in the interim.

Herr von Jagow, the foreign minister, asked to be excused from any comment on the note until the various officials directly concerned had an opportunity to familiarize themselves with its contents.

In diplomatic circles the note was regarded as decidedly conciliatory in tone, far more so than the first stories reaching Berlin by cablegram had led the foreign diplomats to expect.

London, June 12.—German opinion is unanimously against granting President Wilson's demand for assurances that American ships and lives will not be endangered by submarines in warfare, according to a Berlin dispatch to the Exchange Telegraph company, sent by way of Amsterdam.

Official circles are pessimistic, the dispatch says, regarding the continued maintenance of friendly relations with the United States.

Immediately after it had been received, the contents of the American note were telegraphed by Foreign Minister von Jagow to Emperor William, who is on the Galician frontier.

HOLD DISTRICT MEETING.

Prudential Agents Gather Here Today to Discuss Policy Writing.

A meeting of the district agents of the Prudential Life Insurance company is being held here today in the offices of the insurance company, Empire building. Those attending are R. K. Dearworth of Maryville, district organizer; L. A. Denny, local agent; Homer Kellogg, Creston, Ia.; D. A. Masterson, Shenandoah, Ia., and F. L. Hopkins, Clarinda, Ia.

The meetings are held to discuss various propositions coming before the agents and to bring the agents into better understanding of the company policies.

CLUB GIRLS TO GIVE PLAY.

Proceeds of Musical Comedy to Apply to Rest Room Fund.

The Humdrum club will give a musical comedy at the Empire theater for the benefit of the women's public rest rooms. The date on which the play is to be presented will be announced shortly.

The club members will have the assistance of two out-of-town specialty artists and a number of the local talent. The operetta is being directed by Miss Bess Scott and the rehearsals and preparations for the event are well under way.

The entire proceeds are to be applied to the fund for the maintenance of the rest rooms.

BOY, 8, BEFORE CAR; HURT

Edwin Foreman Didn't See Auto from Behind Wagon—Bruised and Cut Slightly.

Erwin Foreman, 8-year-old son of A. L. Foreman, 216 South Market street, was knocked down and cut and bruised at 2 o'clock this afternoon at First and Main streets, when a taxicab driven by William K. Edwards, struck him. The accident was unavoidable. The boy was hidden from the sight of the automobile driver by a dump wagon which was being driven south on Main street, though on the east side of the street.

As the car approached, Erwin stepped from behind the wagon directly before the northbound car, as it was driven around the wagon. Before being able to stop the car it had passed entirely over the boy. Either the impact of the car, the fall to the pavement or the wheels passing over him made several bruises and cuts on his legs. The boy was but slightly injured.

Edwards drives for the Knox garage.

BELLOWS BULL BRINGS $2,500.

Fairacre Sultan, Prize Sirer, Brings Second Highest Price—Oklahoman Purchaser.

Fairacre Sultan, a 4-year-old Shorthorn bull owned by Bellows Brothers, was sold to H. F. Luckbaugh of Watonga, Okla., yesterday for $2,500. This is the second highest price ever received by Bellows Brothers for a bull, and perhaps by any breeder in Nodaway county. Fairacre Sultan is claimed to have sired more prize winning Shorthorns in the last few years than any other one bull in this country.

The Bellowses sold Hampton's Model, also a Shorthorn bull, in 1906 for $3,910 for export to South America. This was a record price not reached since.

PLEASED WITH NEW DAUGHTER.

S. R. Polly Likes Third Wife of Son, Who Married Much Married Woman.

"She's a dandy," was the comment of Samuel R. Polly, southeast of Maryville, this morning, in speaking of his new daughter-in-law, Mrs. Charles C. Polly, third wife of his son, who previously was married to a woman, married ten times previously. "Myrtle (that's her first name) is a German woman and a fine cook and a splendid housekeeper, and I am sure living good now," continued Mr. Polly, Sr.

Polly was married to Mrytle Rush of Union Star, at St. Joseph, this week, as previously announced in The Democrat-Forum. His second wife died at Parnell, April 1. She had been married eleven times, three times to the same man.

Mr. and Mrs. Polly went to Union Star this morning to get Mrs. Polly's household goods and property, preparatory to moving in with the senior Polly here. His wife died last August.

POULTRY BREEDERS MEET

Northwest Missouri Association to Elect Officers and Plan Next Fall's Show Today.

A meeting of the Northwest Missouri Poultry association, is being held in the circuit court room of the court house this afternoon to elect officers for the year, to plan for next fall's sixteenth annual poultry show here, and to bring the organization to such a standard as to receive state aid. The meeting convened about 3:30 o'clock with a small number of the members from over the county present.

A discussion relative to sending the better stock of poultry in Nodaway county to the Panama-Pacific fair at San Francisco in October, also will probably close the session here this afternoon. It is planned to have quite an exhibit of birds there next fall.

A constitution, so that the poultry organization will receive state aid, was the first matter brought up at the meeting. It provides for no changes from present operative methods, except as to provide a vice president from each township and that the executive committee shall consist of the president, secretary and treasurer and two members.

A proposition to inaugurate township contests in connection with the county show her next fall also will be brought up this afternoon. It is planned to have each township offer a special prize to the exhibitor having the best poultry display from that township in the county show.

It is also planned to change admission fee on the annual county shows, as has been the case heretofore.

These officers were elected: President, Fred F. Robinson; vice president, W. H. Crawford; secretary, Joseph H. Sayler; treasurer, John Gross; vice president of Nodaway township, Mrs. W. P. Nicholas. The other township vice presidents will be named later by the executive committee. Robinson and Sayler were re-elected.

MRS. W. H. AIKEN DEAD.

Funeral Will Be Held Tomorrow at Reuben Young Home.

Mrs. Amelia R. Aiken, 25 years old, the wife of W. H. Aiken of Boyne City, Mich., died yesterday afternoon at 6 o'clock at the home of her parents, Mr. and Mrs. Reuben Young, on East Third street.

Mrs. Aiken had been in failing health for several months. About four weeks ago, in company with her husband, she came to Maryville to visit her parents. She is survived by her husband, to whom she was married in February, 1914, her parents, Mr. and Mrs. R. Young, and seven sisters and three brothers. The brothers and sisters are Elmer Young of Bedison, William Young of Garland, Wyo.; Mrs. Edward McKee of Ravenwood, Mrs. Albert Mercer, Mrs. Clarence Dowden, Mrs. Albert Appleby, Mrs. W. N. Trullinger, Guy Young and Misses Daisy and Ruth Young, all of Maryville.

The funeral services will be held at 2:30 o'clock tomorrow afternoon at the Young home, conducted by the Rev. Robert Lyle Finch, pastor of the First Christian church. The burial will be made in Miriam cemetery.

FLY FLAG MONDAY SAYS CITY HEAD

MAYOR WRIGHT REQUESTS ALL TO OBSERVE FLAG DAY.

D. A. R. MEETS TODAY TO PAY ITS RESPECTS

Woman's Organization Asks for General Homage to "Old Glory"—No Churches Plan Services.

Maryville, Mo., June 12, 1915.

As mayor of the City of Maryville, I hereby request all residents of the city to fittingly observe Flag Day next Monday, June 14, by appropriately decorating their homes or store fronts with our country's flag and to otherwise observe the day in homage and respect to the Stars and Stripes.

Respectfully,
U. S. Wright, Mayor

Flag Day this year, which comes next Monday, June 14, will not be very generally observed over Maryville this year, according to present indications. Not a sermon relative to the day has been announced for tomorrow by any Maryville pastor, and no stores nor offices will be closed Monday in observance of the event, as far as is known today.

It will be observed however, by the local chapter of the Daughters of the American Revolution. The Elks, who held Flag Day exercises last year, will not repeat this time. The services by the D. A. R. this year, is being held this afternoon at the home of Mrs. Anderson Craig. Mrs. Craig, Mrs. C. H. Coe, Mrs. J. V. Embree and Miss Ethel Embree are hostesses. The services last year were held at the home of Mrs. Embree.

Mayor Issues Proclamation.

Mayor U. S. Wright, this morning, issued a proclamation calling on all residents of Maryville to observe the day and pay homage to the Flag, Monday. The D. A. R. also has requested merchants and citizens generally to fly the flag to the breezes that day in token o frespect.

The big, silken flag, presented to the county court last fall by the D. A. R., will be flung to the breezes from the tower of the court house Monday while many others will observe in the city that day, it is believed.

Monday Is Flag Day.

Monday, as a matter of history, will be the one-hundred and thirty-eighth anniversary of the adoption of the Stars and Stripes. On the 14th day of June, 1777, Congress enacted: "That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

The number of stripes having been increased by the admission of new states, the possibilities of the nation's future development dawned upon our fathers, the original thirteen stripes were unchangeably restored by act of Congress on April 4, 1818, when it was enacted: "That from and after the fourth day of July next, the flag of the United States be thirteen horizontal stripes, alternate red and white; that the Union be twenty stars, white, in a blue field, and that on the admission of a new state into the Union one star be added to the union of the flag, and such addition take effect on the fourth day of July next, succeeding such admission."

Miss Lindholm to Arrive.

Miss Lilian Lindholm of Ottawa, Ill., a former teacher in the city high school, will arrive in Maryville tonight to visit Misses Marjorie and Geneva Wilfley, Miss Lucile Airy, Miss Margaret Lee Winston and other friends. Miss Lindholm has been teaching in the schools of Minneapolis, Minn.

THE WEATHER

Showers this afternoon or tonight; Sunday partly cloudy and cooler; fresh southwest to west winds.

The young women of St. Mary's church will give a social in the church hall on Tuesday night, June 15. Refreshments.

HOLD BASKET DINNER.

Ravenwood Christian Church Will Hold Annual Celebration Sunday.

The annual basket dinner and congregational meeting of the Ravenwood Christian church of Ravenwood will be held tomorrow. The meeting was arranged for last Sunday, May 28, but was postponed on account of the high water. The Rev. L. L. Ellis of Des Moines, Ia., will give the address.

PLAY CONCEPTION TODAY.

Normal Base Ball Team Will Try to Avenge Defeat Thursday Here.

The Normal base ball team went to Conception today, where it plays the Conception college team this afternoon in a return game. Coach Walter Hanson hopes to get revenge for the overwhelming defeat here Thursday, when Conception college secured 11 runs to a measly 1 by the Normal. Nearly the same players will contest this afternoon.

This probably will be the final game of the season for the Normal team.

TO CELEBRATE IMPROVEMENTS.

Mound City Has Paving, School Building and White Way.

Mound City is celebrating its several recent improvements and white way with speaking, music, drill contests and luncheon and smoker. The improvements have been the installation of a white way on the main streets and the paving of that thoroughfare and the completion of a new school building.

The principal speakers today are to be A. N. Lindsay of Clinton, secretary of the State Federation of Commercial Clubs and also publicity agent for the Normal here, and F. W Buffum, state highway commissioner.

Sells Dearborn Paper.

Mrs. James Watson, editor and publisher of the Dearborn Democrat, of Dearborn, for the last nine years, has sold the paper to F. C. Ives, a Missouri newspaper man. The consideration was $5,100. Mrs. Watson also owns an 80-acre farm.

Guilford Plays Deferred Game.

The base ball game scheduled between Guilford and Rosendale last Sunday, will be played at Rosendale tomorrow afternoon instead.

W. T. Doyle, living near the city, was operated on this morning at St. Francis hospital. He stood the operation nicely.

BRYAN ISSUES FINAL STATEMENT

Tells German-Americans U. S. Is Perfectly Neutral.

ASKS THEIR AID FOR PEACE.

Nebraskan Asserts That This Government Has Acted Fairly In All Matters Between the Belligerents—Replies to Criticisms Made.

Washington, June 12.—William J Bryan issued an appeal, addressed to "The German-Americans," urging them to aid in maintaining peace between the United States and the fatherland, by exerting their influence with the German government to persuade it not to take any steps that would lead in the direction of war.

With this statement, Mr. Bryan expects to end for the present his efforts to lay before the public the situation, which caused him to resign the portfolio of secretary of state.

Referring to German-Americans as "fellow citizens in whose patriotism I have entire confidence," Mr. Bryan, besides asking them to use their influence with the German government, urged:

"That they forget, never to be recalled, any suspicion of lack of neutrality or friendship toward the German people on the part of the president of the United States.

That they should not attempt to connect negotiations between the United States and Germany with those between the United States and Great Britain, because "the cases are different."

That Germany should acquiesce in demands that have been made by the United States without condition trusting the "United States to deal justly with it in the consideration of any changes it may propose in the international rules that govern the taking of prizes," growing out of submarine warfare.

Mr. Bryan declared that President Wilson had been unjustly criticised by patrisans of both sides in the European conflict; expressed confidence that Germans would stand by their adopted country in case of war between the United States and Germany; maintained that killing of innocent women and children, either by drowning or starving, could not be justified and suggested a change in the shipping laws to exclude passengers from ships carrying contraband or ammunition.

Cannot Change Laws.

"The administration's position has not only been perfectly neutral, but it could not have been otherwise without a palpable and intentional violation of the rules governing neutrality. This government is not at liberty to materially change the rules of international law during the war because every change suggested is discussed, not upon its merits as an abstract proposition but according to the effect it will have upon the contest. Those who wanted to lay an embargo upon the shipment of arms defended their position on the ground that it would hasten peace, but it is strange that they could have overlooked the fact that the only way in which such action on our part could hasten peace would have been by helping one side to overcome the other.

Duty of German-Americans.

"Knowing that the president desires peace, it is your duty to help him secure it, and how? By exerting your influence to convince the German government of this fact and to persuade that government to take no steps that would lead in the direction of war.

"My fear has been that the German government might, despairing of a friendly settlement, break off diplomatic relations and thus create a condition out of which war might come without the intention of either country. I do not ask you to minimize the earnestness of the president's statement; that would be unfair, both to him and to Germany."

U. S. PREPARING NEW NOTE TO ENGLAND

Washington Officials Assembling Data on Shipping Question.

Washington, June 12.—It was stated officially at the state department that while officials had been for more than two months assembling data on which to base a new note to Great Britain on interruptions to American commerce by British naval operations, there was as yet no indication of when the new communication would be ready for transmission to London.

It is intended that the new representations shall be so complete in detail as to preclude protracted discussion.

As yet Great Britain has made no reply to the last American note on the orders in council. There is a belief in some quarters here that it is unlikely a reply will be made while the situation between the United States and Germany continues.

It is intimated that the Washington government's note might go forward as soon as it was completed without regard to the status of the negotiations with Berlin.

DUN'S REVIEW OF TRADE

Economic System Grows Steadily Stronger.

New York, June 12.—Dun's says:

While general business gains but slowly, the economic situation grows steadily stronger. International uncertainties are still a restraining influence, yet constructive forces multiply, and the absence of speculative excesses is helpful to sustained progress. Much the best feature of the week was the government grain report, which indicated bumper harvests of both wheat and oats, as well as big yields of the other cereals.

To the nation at large agricultural success means more than anyone can calculate, and since prosperity of the railroads is materially affected by the size of the crops to be moved, the official forecast is obviously a most encouraging factor. Because of it optimism in the west increases and confidence everywhere strengthens, especially as the marketing of the great staples will involve no financial strain.

Funds remain in superabundant supply for all requirements, and gold is coming here when it is not really needed, several millions of the precious metal again crossing the Canadian border. These specie imports bear a close relation to Europe's purchases in this country and the continued urgent war demands, though exaggerated in some instances, impart new life to manufacturing enterprise. It is not now uncommon to hear of idle plants resuming or of more machinary being set in motion, and unemployment naturally becomes a less serious problem as industrial operations expand. In no other line has the revival of activity been as pronounced as in iron and steel.

CAVALRY TO STAY ON MEXICAN BORDER

Washington, June 12.—Possible intereference by local Mexican officials along the border with plans of the Red Cross to distribute through American officers and its own agencies food supplies to the famine threatened Mexican people is the reason for orders from the war department to delay the departure of three regiments from the border to the Philippines.

The American troops cannot cross the border without instructions from Washington, but in view of the possibility of resistance by the Mexican officials the war department intends to have at hand means to enforce any orders that may be given by President Wilson. The regiments affected are [illegible] at Fort Bliss, Tex., the Twenty seventh infantry at [illegible] Ninth cavalry at Fort Douglas, Ariz.

Miss Hull to Ames College.

Miss Myra Hull will leave the first of the week for Ames, Ia., to take a special course in home economics at the Iowa State Agricultural college. Miss Myra will be head of the home economics department of the Bedford, Ia., schools this coming year.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

HUGHES BONDS ARE O. K.

Purchasers of Bridge Improvement Approve Issue—Money Soon Available.

The Mercantile Trust Company of St. Louis has notified its agents here, the Gillam-Jackson Loan and Trust Company, that the $30,000 in special roads bonds voted recently by Hughes township, has met with approval and that the bonds will be printed soon and forwarded here. The Mercantile company purchased them recently.

After the bonds are received here they will each be signed by Fred J. Yeomans, county clerk and by W. M. Blackford, presiding judge of the county court. They will then be sent to the state auditor for registration and approval then returned here. The money can then be received of the county treasurer.

EIGHTH GRADE GRADUATION.

Atchison Township Schools Give Commencement Program Last Night.

The graduating exercises of the eighth grade rural schools of Atchison township were held last night at Clearmont. The program consisted of readings and musical numbers. Prof. H. B. Schuler and Miss Kathryn Carpenter of this city assisted with the music and the diplomas were presented by Prof. Bert Cooper, county superintendent of schools. The graduates were Ralph Farrens, Charles Myers, Agnes A. Combs, Helen Burch, Ruby Dew, Earl Miller, Pauline McDermott and Mildred Broyles.

MUSIC TEACHERS TO MEET.

Plan State Association Convention at St. Joseph, June 22-25.

The twentieth annual convention of the Missouri Music Teachers' association will be held in St. Joseph, June 22 to 25 inclusive. Several music lovers of Maryville are planning to attend. Prof. P. O. SUBSEA-PROOF SHIPS

Naval Experts Work to Make Vessels Defiant of Submarines.

Washington, June 12.—Navy officials will present to the next congress a comprehensive program for the reorganization of the navy along modern lines.

From another quarter it was learned that until the construction department of the navy perfects its plans for submarine proof battleships, it is more likely to recommend the building of fast battle cruisers and seagoing submarines to the exclusion of dreadnaughts.

This means a radical departure from past programs. The general board heretofore has emphasized armament and hitting power more than speed and hitting power without armament. The construction engineers of the navy, however, are now working to discover means to make a battleship submarine proof, or at least proof against the explosion of a single submarine torpedo of the most effective

Americans at Van Reported Safe.

Boston, June 12.—A cablegram stating that the Americans at Van, Turkish Armenia, are safe was received by the American board of commissioners for foreign missions. The message, signed by Dr. Clarence D. Usher, a medical missionary in Van, read: "General assistance urgent. Mohammedan starving. We have about 1,000 in American buildings to whom we can give assistance. Americans safe."

Paige

THE STANDARD OF VALUE AND QUALITY

The Paige Fairfield "Six-46" has proved the most successful. the best-selling, the most-commented-upon and the most popular six-cylinder motor car—of any price—introduced into this country this year. It has been easily and incontestably the most distinctive event of this American motor car season.

The Proof of that Victory

Paige dealers the country over have sold out three and four extra allotments of the "Six-46."

For three months the huge Paige factory (scarcely more than a year old) has been working night and day.

We are now doubling even that enormous capacity, doubling the size of the new plant. to meet this overwhelming demand for the "Six-46."

You must already have seen this wonderful "Six-46." It is known everywhere now. But see it again at your Paige Dealer's—and you will not be content until it is yours.

"Dollar Brigade" Earns $130.

Celebrating the tenth year of its organization, the "Dollar Brigade" of the First Baptist church held an all-day meeting at the church Thursday. The morning was devoted to comfort tacking. At noon a delicious lunch was served, and after the dining the real meeting of the day was opened. The entire company first united in the singing of "Blest Be the Tie That Binds," which was followed by devotions, conducted by Mrs. S. A. Helwig, and a prayer service conducted by Mrs. J. M. Ringgold. Mrs. H. L. Raines and Mrs. Lewis M. Hale sang "Just for Today," and the music was followed by a short talk by the Rev. Mr. Hale on "The Progress of Women's Work." A quartet composed of Mrs. W. A. Burris, Mrs. G. B. Holmes, Mrs. W. A. Bailey and Mrs. Mary Owens sang "Work Till the Church is Finished," a song composed by Mrs. Anderson Craig. The closing number of the program was an interesting account of the Dollar Brigade and its work, given by the president, Mrs. W. A. Bailey. After this talk each member presented her dollar, and told how she earned the money. The ways of earning were varied and unusual in many cases. The organized was made in 1905, at the time the congregation decided to build the new church. The women pledged $1,000 at that time. The money was earned in various ways, and the Dollar Brigade, which holds its meetings semi-annually, is the outgrowth of this first meeting. Mrs. Anderson Craig was the first president of the organization. She was followed by Mrs. G. B. Holmes, who served the second year; Mrs. John Anderson for the third year, and Mrs. W. A. Bailey as fourth president, who has served steadily in that capacity since.

Thursday the total contribution paid into the treasury by the women was $130, which was the proceeds of work done by the society members and the dollars earned individually.

Sleeping Porch Curtains

have the patent Drop-Top Attachment which enables you to drop the entire curtain down from the top if desired, admitting more air while preserving perfect privacy. Curtains may be further adjusted by rolling up from the bottom, or canvas alone can be rolled up, leaving only Splint Fabric curtains.

We shall be glad to tell you all about these curtains and give you an estimate of the cost of equipping your porch.
